

Jack 15 — Sept. 23, 2023

Important runner information

Packet pickup

- **Friday, Sept. 22** — 4-7 p.m. in the southeast corner of the Sanford-Jackrabbit Athletic Complex on the SDSU campus.
- **Saturday, Sept. 23**— 7 to 8:15 a.m. in White. Use the east entrance of the Deubrook High School gym (100 School Ave., two blocks west and one block south of starting line).

If you're not running

The race is run on County Road 25, a paved road going south out of White, and County Road 8, a dirt and paved road going west until it reaches Road 471 / Medary Avenue (old Highway 77), which runs to the finish line.

There is virtually no shoulder on Road 25 and the course will be crowded at this point. Please consider waiting a few miles before cheering on your runner. If you're transporting relay runners, please drop off the runner at Mile 3 and head to Road 8 (about 3 ½ miles). There is a gentle shoulder on the north side to park and cheer on your team.

Course notes:

The course was recertified through USA Track & Field in 2021. Miles are marked with an American flag, a sign and pavement markings, which mark the exact mile point. At Miles 9 and 15, a bridge and the sidewalk prevent the sign and flag from being at the exact mile point.

Kids run:

10:45 a.m. Open to all children through age 12. Distances: .1 mile for 5 and younger; .25 mile for ages 6-8; .5 mile for ages 9-12. Register, start and finish at the Campanile. Free entry, free T-shirt. Organized by Miller Wellness Center, Jacob.Heidenreich@sdstate.edu

Race directors: Dave Graves, 651-4361; Brett Pettigrew, 999-0907.
